**The Uncle Sam Chronicles:
199 Years of the United States of America**

1976, as all of us know by now, marks the 200th anniversary of American independence. The philosopher-historian George Santayana warned that those of us who do not learn from history are doomed to repeat it. Another famous man said that while one may not always find truth in history, at least history is truth, by definition. Fortunately, it is not our task to argue the truth or falsehood of pronouncements like these, but merely to explore some of the back alleys of our past in search of...what? Truth, beauty, meaning, the mysteries of life.

American history did not begin in 1776, of course, any more than Columbus discovered the place in 1492. Civilizations flourished on both continents of the Western Hemisphere centuries before the Nina, the Pinta, and the Santa Maria sailed into the Caribbean. Leif Ericson showed up around 1000 and called the country Vinland. The first baby of European parentage was born in 1007, and they called the kid Snorro. Snorro and his Viking parents did not stay long.

"America" was first used as a name in 1507, after the explorer Amerigo Vespucci. Billiards were introduced to St. Augustine, Florida, in 1565, and pocket pool made it to River City, Iowa, in 1900. The first beer was brewed in Roanoke, Virginia, in 1587, followed by popcorn in 1630, the same year that the first salt works were built. The first recorded duel took place in 1621, and potatoes were introduced to American soil the following year.

Harvard College was established in 1636, and the first Swedes arrived in Delaware in 1638. Slavery was introduced at Jamestown, Virginia in 1619; and the first corporation, the New York Fishing Company, was chartered in 1675. The first known newspaper advertisement appeared in the Boston *News Letter* in 1704, and golf was flourishing by 1729.

July 4, 1776. Declaration of Independence signed, Philadelphia, Pennsylvania. There is no indication that Japanese fireworks were set off to commemorate the event. There was no school that day, since it was summer.

1776. First cocktail mixed. A customer asks Betsy Flanagan, a barmaid in Elmsford, New York, for a glass of cocktails, referring to a jar of tailfeathers kept behind the bar for decoration. Betsy obliges by garnishing his drink with a feather, which also becomes the first swizzle stick.

1776. First submarine. *American Turtle* is built by David Bushnell of Saybrook, Connecticut, and propelled by a hand-turned screw. The *Turtle* is used successfully to affix a bomb to Admiral Howe's flagship, *Eagle*.

February 6, 1777. France becomes first nation to recognize United States.

June, 1778. Secret Service organized.

1780. First slave emancipated. Elizabeth Freeman freed by trial at Barrington, Massachusetts.

March 1, 1780. Pennsylvania passes a law calling for "the gradual abolition of slavery."

October 19, 1781. Cornwallis surrenders at Yorktown.

September 3, 1783. American independence formally recognized by England at the Peace of Versailles.

October 6, 1783. Benjamin Hanks of Litchfield, Massachusetts takes out a patent on the first perpetual motion machine in the United States.

July 17, 1784. Thirteen year-old Edward Warren makes the first balloon flight in America. Edward, who returns to earth safely, is luckier than the balloon's designer, Peter Carnes, who crashes one month later.

September, 1784. James Rumsey invents the motor boat.

the indomitable American Spirit, the eternal verities? Maybe, but you won't find those here, either. Keep looking somewhere else if you're interested. What we have for you is an America that is usually forgotten, sometimes not even remembered, occasionally best left undisturbed beneath its rock. Your history books have given you the hopes, dreams, promises and realizations of America. For our 200th birthday, we give you a second look. And we give it to you one year early.

Benjamin Franklin conducted the first electric turkey dinner in Philadelphia in 1749, describing the event by letter: "A turkey is to be killed for our dinner by the electric shock and roasted by the electrical jack, before a fire kindled by the electrified bottle; when the healths of all the famous electricians in England, Holland, France and Germany are to be drank in electrified bumpers, under the discharge of guns from the electrified battery." This was the beginning of 224 years of profligate use of electric power by Americans, a custom that continued unreversed until 1973. The turkey was served well done.

"Yankee Doodle" was written in 1755 by Dr. Richard Shuckburgh at Albany, New York, as a putdown of straggly federals. Later the song was played at the surrender of Cornwallis at Yorktown.

By the time of independence, New York had a Chamber of Commerce, a law school, and a medical college; mustard was being manufactured in Philadelphia, and an inclined railway had been constructed in Lewiston, New York. Two days before independence, New Jersey became the first colony to grant suffrage to women. Later New Jersey rescinded the law, declaring in 1807 that only free, white male citizens could vote.

199 years of production,
consumption, energy,
waste and growth

As a young nation, America didn't have all that much time for fads and crazes, since most of us were more concerned with mundane things like clearing fields, building cabins, farming, raising children and working. When people did get together for a little fun, well, there were always witch trials, or killing buffalo from the observation car of a transcontinental train. George Washington and Thomas Jefferson were patrons of cock fighting, and by the mid-1800's phrenology became popular. Generally, however, there just wasn't very much to do. Leisure industries didn't boom until the 40 hour work-week became widespread.

Bicycling was introduced in the 1860's. The first were unicycles known as Flying Yankee wheels. They were popularized by gymnasts, but sales dropped when people began to discover that it took a gymnast to ride one. High-wheeled bicycles followed, and the taller the rider was, the bigger a front wheel he could rattle. Short men took up tricycles. By the turn of the century the bicycle's back wheel was the same size as the front and bicycling became the first true fad, followed quickly by roller skating, and then roller polo, which was a kind of ice hockey on wheels.

When the Civil War ended, fighting men brought home a wide assortment of diseases, and an insatiable demand for remedies and patent medicines. Cures were invented for liver ailment, falling hair, tuberculosis, flabbiness, impotency, indigestion, cancer, polio, and heart attacks. You could order any of them from a wholesale house in Chicago or St. Louis, for 50¢ plus postage and handling. Two reasons for the popularity of these remedies were the most common ingredients: alcohol and opium. Even if people weren't actually cured, at least they didn't care so much.

Trading Cards swept the nation in the mid-1880's, depicting baseball players, politicians, and music hall performers. Playing cards were circulated with caricatures of political figures, and there were even trading cards that depicted patent medicines.

Jazz music's journey up the Mississippi from New Orleans to Chicago is well chronicled, but by the turn of the Twentieth Century it was another indigenous musical form, Ragtime, that was sweeping the country. Nothing remotely as popular appeared on the musical scene until Bill Haley, Fats Domino, Chuck Berry and their friends blew open the 1950's.

AFTER THE DAY

June, 1888. George Eastman patents and registers his Kodak No. 1, a camera which uses roll film and does not require a tripod or table for support.

1889. Elizabeth Cochrane, a reporter for the *New York World* using the name Nellie Bly, travels around the world in 72 days.

February 22, 1889. The Territories of North Dakota, South Dakota, Montana and Wyoming are annexed.

1890. There are 125,000 miles of railroads in the United States.

July 10, 1890. Wyoming becomes the first state to grant suffrage to women.

August 6, 1890. William Kemmler, the convicted murderer of Matilda Ziegler, becomes the first man to be electrocuted. The electrocution takes place at Auburn Prison, New York.

October 14, 1890. Dwight D. Eisenhower born.

September 28, 1891. Herman Melville dies.

1892. James Naismith introduces basketball at the YMCA Training School in Springfield, Massachusetts. The peach basket employed retains its bottom so that the ball must be removed by hand after each successful goal.

1893. The *New York World* publishes the first comic strip, entitled "Hogan's Alley." The first successful serial strip, "The Yellow Kid," follows.

May 10, 1893. Locomotive 999 of the New York Central attains a speed of more than 112 miles per hour.

Summer, 1893. The Chicago World's Fair.

June 9, 1893. Cole Porter born in Peru, Indiana.

1894. Colonel Royal Page Davidson creates the first military bicycle corps at Northwestern Military Academy, Lake Geneva, Wisconsin. Sixteen cadets ride bicycles equipped with clips for carrying rifles.

1895. William George Morgan of the Holyoke, Massachusetts YMCA invents volleyball.

May 6, 1896. Samuel Pierpont Langley's 26-pound, 16-foot airplane makes the first heavier-than-air propelled flight. Langley's airplane is powered by a one-horsepower steam engine.

May 30, 1896. Henry Wells of Springfield, Massachusetts, driving a Duryea Motor Wagon strikes Evylyn Thomas, who is riding a bicycle, causing the first automobile accident. Wells is incarcerated overnight awaiting a report on Ms. Thomas's injuries.

In 1923, Joseph Babcock transliterated an ancient Chinese game and copyrighted it as Mah Jongg. Mah Jongg was a flash fad. The whole country played it for several months, then the bottom dropped out, leaving \$2 million in unsalable Mah Jongg boards in the hands of retailers.

The twin crazes of prohibition and bootlegging totally dominated the 1920's, engrossing the entire population, but with the onset of the Great Depression, hysterical frivolity took on unforeseen dimensions. Flagpole sitting became a national sport, and college students took to swallowing hundreds of live goldfish at a single sitting. While never as popular, phonograph record eating provided considerable diversion.

Chain letters promising huge fortunes were circulated widely during the depression, and the whole country began playing miniature golf.

World War II provided a sobering influence. The population put aside the frantic pursuits of the previous two decades and began saving string and aluminum foil, and blacking out huge cities at night. By the end of the war, America was ready for Frank Sinatra, the biggest heartthrob since Rudolph Valentino. Frankie faded, but was soon followed by Johnny Raye, Frankie Laine, Eddie Fisher, Julius LaRosa, Pat Boone, Elvis Presley, Ricky Nelson, Tom Jones, Johnny Cash, Robert Goulet and Alice Cooper.

Fess Parker showed up in 1955 on Walt Disney's TV program as Davy Crockett, and caused every kid in the country to go out and buy a coonskin hat. These were worn while hula hooping, trampolining and go-karting. Comic books peaked in the 1950's, and pogo sticks, stilts, and yoyos underwent semiannual revivals.

Backyard bomb shelters heralded the 1960's, a decade of political consciousness that was captioned by pithy bumper stickers of every persuasion. Frisbees were thrown everywhere, underground newspapers were published, and rock music became even more a part of everyday life.

The 60's were years of unrest, assassinations, turmoil, riots and social change. They left America stunned, tired and ready for the 70's and the decade's biggest fad: nostalgia for the remnants of every other decade of the century.

SENIORS

In Memory Of Paula Shaffer

The Dial Staff would like to dedicate the Senior section to Paula Shaffer who died on February 9, 1975. She will be remembered for her active participation in school and in class activities as well as for being a friend.

The death of a classmate is a painful loss. Paula was more than just a classmate, she was an associate, companion and friend to all who knew her. Paula will be remembered not only for what she was, but also for the many accomplishments she would have achieved.

The Paula Shaffer scholarship which was established by her family is a living reminder of all that she was.

Through their four years of High School, this years Seniors have proven to have outstanding abilities. Some of their projects this year have been to change the dance policy, raise the highest amount of money

for the United Fund, sponsored a "fifties dance" and tied first place in homecoming activities. Although the seniors look forward to college and other future plans, they have enjoyed their years at M.H.S.

Seniors Sponsor "Exit The Body"

This year the Senior Class sponsored a comical mystery play, "Exit The Body", by the accomplished comedian Fred Carmichael. The play revolved around a New York writer of adult literature and her playgirl secretary who were vacationing in a small New England home. A variety of motley characters and one missing body combined to offer the audience an entertaining evening.

Lisa Wuori Chosen as Jr. Miss

The 1975 Junior Miss Pageant proved to be the largest in the history of Marshall, with a total of 33 contestants vying for the title.

The contestants were split into two groups, with both presenting their physical fitness routines and talent presentations on two separate nights. Marshall's pageant was named the best in the state.

Class Night '75

..... SMASH

On May 30th the Seniors presented their version of Class Night '75. The show was filled with various acts of fun and entertainment with the help and coaching of Brian Burns. For the first time the show was emceed by four, Cindy Biggs, Debbie Venn, Steve Line and Dan Walsh.

Being the last time for seniors to work together, practice and the actual performance were filled with fun and good memories. The annual Bill Holt award which is picked out of a combination of outstanding senior in sports, good citizen and high scholastic standing, was awarded to Dan Vincent.

Class of 75

Graduates 255

The graduation of 1975 brought four years of high school to an end for the Senior Class. Morris Stulburg added a special significance to the evening as commencement speaker, and Senior Julie Bramble also gave an invocation. Another enlightened touch was added by the orchestra when they performed hits from Jesus Christ Superstar.

A graduation dance sponsored by the parents of the seniors followed commencement at the Marshall Country Club with music by Amaze.

Home Ec., and Art Offer Variety

This year the Home Economics Department opened itself up to a variety of new courses. The cooking classes, Desserts and Outdoor Cooking added depth to the area of food preparation. One interesting change was the addition of Independent Living which provided knowledge of Home Ec. for boys. The classes, Family Life Education and Women Society and Change offered a chance to

break away from traditional roles.

The Art Department made a few changes this year, but offered no new courses. These changes include an Art Gallery, which is used to display students' art projects, a new teacher, Mr. Munsell, and art shows which allow the students to display their work to the public.

History Classes Change Format

This year's language classes showed an increase in enrollment. Another change was the new text books used by some of the classes.

In social studies two of Mr. Cronk's history classes worked on a semi-independent research project. The classes chose the topics they wanted to know more about, broke it down into sub-heading and came up with questions that needed to be answered to cover the topic thoroughly. The teacher acted as a resource person and set up due dates for the information which was being collected. During the 1975-76 school year, semester and quarter length classes will be offered.

(Below) Mrs. Gallerach's Latin students perform in front of the class.

Driver Ed Stresses Safety

This year the Science Department gained a new teacher, Mrs. Edwards, and lost Mr. Stockford. Courses in Microbiology and Genetics/Physiology were improved this year by the addition of lab manuals. These allowed students to do more independent lab work which is essential to the two science courses.

The main emphasis of Drivers Ed this year was the education of students in driver and traffic safety. They also strived to individualize the course so each student can work at his own pace in the classroom, driving progression and range work. New equipment such as visual aids, sight testing equipment and brake reaction timers assisted the students in the course.

Debaters Take 7th State Title

Mr. James Telfer coached his debaters to their seventh consecutive win of the Class "B" State Championship title. The team had a somewhat slow start but finished the season with great overall team strength. The debaters traveled to several out-of-state tournaments, among them being Pittsburg, Pennsylvania and Toledo, Ohio. Merrie Phillips qualified for John S. Knight competition and ended up with a seventh place.

The Forensics Team had over forty members and traveled to several Saturday tournaments and two after school leagues. The Multiple qualified for State Competition as did Dick Smith in Radio and Lily Prigioniero in Storytelling. Other students receiving special recognition throughout the season were, Jackie DeVries, John Chichester, Cindy Biggs, Doug Ronan, Tom Trubac, Sue Marvin, Bob Withee, Roxie Seiler, Mary Schneider and Kim Tranter.

'76 Dial Staff Plans Book

Marshall High students are taking advantage of the library facilities more than in the past. The library, under the direction of Mrs. Eleanor Houseman, now has a new glass book and display case which was donated by the Junior Miss Contestants in memory of Paula Shaffer.

The Journalism I class, instructed by Mr. Brian Olmstead, kept busy this year learning both newspaper and yearbook production. Most of the spring semester was spent planning the 1976 *Dial*.

Music Department Excels

The Marshall High School Vocal Music Department had a successful program this year, providing both entertainment and instruction. A new course called Music Theory was added this year. This course is designed as a non-performance course for students who want to pursue their interests in the mechanics of music.

The singers did exceptionally well at festivals throughout the year with the Mens Singers, Girls Ensemble and Marshall Singers all receiving a number "1" rating at the State Festival.

Girls Ensemble—P. Goodwin, K. Esbaugh, K. Waters, C. Goodrich, K. Bastian, A. Ronan, J. Tew, J. Hendrickson, C. Hindenach, T. Niehaus, S. Libbrecht, M. Williams, M. Heater, M. Lust, L. Yothers, C. LeBlanc.

Musicians Form Band Council

Concerts, parades and festivals took up much of the Marshall High School Band's time throughout the year. The band did exceptionally well at festivals receiving a number "1" rating at the state level of competition. A "band council" was formed this year with representatives from each class making up the membership. Its purpose was to make decisions regarding the grading system in the department and band trips to be made throughout the year.

Members of the Orchestra participated in solo and ensemble festivals throughout the year. The Orchestra also went to a district string festival where they received a number "1" rating and then advanced to state competition where they received a "1" rating also.

Again this year, all areas of the Vocational Department were involved in the building of the school's home project. This year's home is located next to the school, near the tennis courts.

Approximately one hundred Marshall students attended the Area Vocational Education Center and ten were placed in job training positions. Since the Center plans to offer additional programs, it is expected that more Marshall students will take advantage of the program.

Business Students Learn New Skills

The main goal of the Business Department for 1974-75 was to develop entry-level skills needed for jobs in the business field.

The Math Department changed Algebra to a two-year course. The first year is designed to present the basic material while the second year presents new and harder material.

English, P.E. Offer Variety

English training is essential to success in the business world. The English Department has promoted and encouraged their students in developing the English requirements needed. A variety of courses was offered this year, many with increased enrollment size. Among the courses with increased enrollment are Nobel Prize Authors and Expository Writing. Changes in the Department are continually being made to assure English development for M.H.S. students.

The Physical Education Department again strived to meet the goal of providing physical fitness through the use of a variety of physical skills and activities. M.H.S. students are provided with the basic skills in all areas such as Volleyball, Basketball, Folk Dancing and Swimming.

Attendance Policy Limits Absences

A new attendance policy was initiated this year to place responsibility for absences on the students instead of the office. While parents were still required to call in for Freshmen and Sophomores, Juniors and Seniors were on their own. The policy stated if a student missed a class twelve or more times per semester, he would not receive credit for that class. Parents were notified by mail when a student missed three days, seven days and twelve days. Parents were also encouraged to contact the guidance and counseling department to keep informed on their son or daughter's academic progress as well as any problems concerning the attendance policy.

Juniors

Juniors Plan J-Hop

The Junior Class was ambitious this year, taking on a couple of major projects; among them a Junior Class Play and an all-night J-Hop. The Juniors held two sales this year—a candy sale and an oil lamp sale, which was successful. During Homecoming week, the Juniors worked diligently to complete their life-size stage coach, complete with horses and wild Indians.

Juniors Present Broadway Hit

This year, the Class of '76 presented "George Washington Slept Here", April 17, 18, 19, and 20 in the High School Auditorium. The production was based on a Broadway hit of the '40's, which propelled Jack Benny to stardom.

The play dealt with a typical American family which moves from New York City to the rustic quiet of Dingman's Ferry, Pa., to get away from it all.

The play had a highly successful advertising campaign, and boasted sizeable audiences at each performance.

Sophomore Float Takes First Place

In a neck to neck contest during Homecoming Week, the sophomores final outcome was a tie for first place with the seniors.

In addition to Homecoming activities, the sophomores ran the concession stand at football games, and challenged the freshmen to a tug-of-war at Student-Faculty Night, which they won.

Freshmen Active Homecoming Events

This year the Freshmen Class was one of about average size. They seemed to enjoy their first year at the high school. The two sponsors for the Freshmen were Mr. Elyea and Ms. Dangelo. During Homecoming week the freshmen got into the spirit of things, receiving four second places in the following events: Wheel Barrow Race, Corn Eating, Log Saw and Float Building.

Kim Simmons

Named MVP

Mr. Ron Labadie was named as Head Football Coach for the 1974-75 season. Although the season turned out to be a disappointing one, Coach Labadie kept up the morale and spirit of the Redskins. Due to the student body's continued support the 'Skins turned out a victory for the home crowd in their final game.

J.V., Freshmen Have Mixed Season

Although the Marshall Junior Varsity football squad had a disappointing season, they beat the undefeated St. Phillip Tigers. This was the 'Skins best game of the year. The Junior Varsity squad moved seven sophomores up to the Varsity squad during the playing season.

During the 1974-75 season the Freshmen Football Team compiled a 4-2 season record. A major accomplishment for the season was the defeat of the Coldwater squad by the 'Skins after six years of being beaten by the Cardinals. The squad consisted of thirty-six boys this year and was again divided into "A" and "B" squads to give each boy playing experience.

Girl Swimmers Finish Impressive Season

Les McCormick, first year Marshall Swimming Coach, and the Girls Swimming Team finished their 1975 season with an impressive 8-2 record. Season Highlights included a victory over Battle Creek Lakeview and a close loss of one point to state power Ann Arbor Huron. For the second consecutive year Jill Russell and Linda Hamm represented Marshall in the State Finals.

MHS Hosts 15th Sports Festival

The Cross Country team had another good season this year. They placed second in the Twin Valley, fifth in Regionals and fifth in the Sturgis Invitational. They finished the season with a 5-6 record. Dick Smith and Randy Simmons qualified for the state finals where Simmons placed tenth.

Marshall High School hosted its 15th annual Sports Festival this year with fifteen different schools competing in baseball, track, and tennis. The baseball team advanced into the finals although they were defeated by Dearborn Sacred Heart, and the track team tied for a 2nd place finish.

Monte Klein Receives MVP Award

The Boys Swimming Team acquired a new coach, Mr. Les McCormick this year, and compiled an 8-5 season record. Season highlights for the team included winning the Albion Relays for the third consecutive year, a sixth place finish in the Milan Relays, and taking a seventeenth place in state competition. Awards for the season went to Monte Klein, for the Most Valuable Swimmer, Doug Bedford for the Most Improved Swimmer, and to Stu Etherton for the Most Valuable Diver.

Martha Johnston Named M V P

In their second year of playing, the Girls Volleyball Team showed great improvement, racking up a 6-5 record.

Mr Rick Neimi, an experienced player, assisted Mrs. Sally Chambers, coached and helped the team with their skills.

The Home Ec. students provided new uniforms for the varsity team.

At the end of the season the All Conference Team chose Martha Johnston for the 1st team, Cathy Maresh for the 2nd team and honorable mentions went to Cindy Morris, Mary Hatch and Dawn Harry.

Martha Johnston was named as Most Valuable Player for the 1975 season.

Varsity Compiles

12-11 Record

During the 1974-75 Boys Varsity Basketball Season third year Coach Dick Hamilton experienced his most successful basketball coaching season at Marshall High School. The season consisted of twelve wins and eleven losses. The twelve wins are the most since the 1952-53 basketball season when Marshall won thirteen games. Marshall played in the district finals for the first time since 1969 and improved its statistics a great deal from the 1973-74 season.

Frosh Lose Close Games

The 1974-75 season was a season of improvement for the Freshman cagers. Although the team finished with a record of 4-12, eight of their losses were by less than eight points. They finished third in the Harper Creek Tournament. The Freshmen were coached by Mr. Dave Gorringer. The Junior Varsity Team, coached by Mr. Paul Gorsuch, ended the basketball season with an 8-11 overall record. Their league record of 6-6 earned them a fourth place finish. Their individual improvements over the season should be a help to the Varsity Team next year.

Wrestlers Compile Excellent TV Record

The 1974-75 season turned out to be a good one for the Marshall Wrestling Team. The season ended for the 'Skins with a 9-6-1 overall record and a 4-2 record in the Twin Valley. Dan Vincent, Howard Seiler and Mark Woods qualified for the regionals. Vincent captured the regional title while Seiler, took a second place. Seiler ended the season with a fifth place finish in the state meet.

Netters Take Sixth in TV

Although the Tennis Team had a disappointing season record, the players showed individual improvement under Mr. Dennis Osborne, the new tennis coach. The netters took a sixth in Twin Valley play. The number one singles spot was held by freshman Steve Heidenreich, and since most of the team members were underclassmen, the outlook for next season seems good.

Golfers Finish High

The boys golf team enjoyed a successful season, turning in an impressive 14-3 record. They were 7th in the annual Redskin Open. Once again Coach Reynold's linksters were Twin Valley champs. They were 2nd in the Reginal Meet which qualified them for the state meet where they came in 4th.

Not to be outdone by the boys, the girls also had a successful season. Under the direction of Coach Karen Gilbert they compiled a 9-1 record. They too were Twin Valley Champions. After placing 2nd in the reginal match they went on to place 3rd in the state tournament.

Cheerleaders Create 'Hall of Fame'

A new addition to cheerleading this year was Mrs. Jodie Galdeen and Ms. Blanche Fraser, acting as the 1974-75 sponsors. The cheerleaders kept themselves busy with activities such as Pep assemblies, creating a Hall of Fame, attending two clinics and sponsoring a chili dinner. The squad sizes remained the same, the only exception being the freshman squad which was comprised of four members.

Lasky Pitches Near-perfect Game

The Varsity Baseball team is a strong contender for the Twin Valley title again this year. Greg Lasky played a large part in the success of the season, pitching a no hitter and a near perfect game. Doug Ronan had the highest batting average with the most runs and hits. The Junior Varsity team was coached by Mr. Steve Lockman. They compiled a winning record and the experience for many of the players should be beneficial to next years Varsity team.

Track Compiles

7-1 Record

This years track teams again proved to be strong, ending the season with a 7-1 dual meet record. They finished a strong second in the twin valley meet and earned a fourth in the regional. Several of the boys competed in the state finals to round out their successful season.

The girls team had a much improved season under Coach Hopkens. They placed 7th in the Otsego relays and 2nd in the Pennfield invitational. Their season record was 5-3 and the girls took 2nd in the Twin Valley meet. They took 7th in the regional meet in which Kim Esbaugh and Sue Zblewski qualified for the state meet.

Seniors Sponsor 50's Dance

A 50's dance was introduced to Marshall High this year, sponsored by the Senior Class. Doug Ronan and Jim Woods emceed the affair doing everything from spinning platters of Oldies—But—Goodies to reading a goodnight list. Many students attended the dance: ponytailed, bobby-socked girls were seen dancing with greasy-haired, tight-jeaned boys, often doing such dances as "Around the World", the "Twist", and the "Hokey Pokey".

The Boys Intramural season ended with Red's Diner taking first place, and the Redtails following with a close second. The basketball games were again held on Monday nights, with various members of the Varsity Basketball Team officiating. Mr. Steve Lockman was a new addition to the intramural scene acting as Intramural Director.

Cindy Biggs Crowned Homecoming Queen

The Queen and court for the 1974 Homecoming were announced on Monday of Homecoming Week. Reigning over the week's activities as Queen was Senior Cindy Biggs, escorted by Dan Vincent. Her attendants were Senior Judy Day, escorted by Dan Walsh; Junior Deb Chrispyn, escorted by Mark Woods; Sophomore Marsha Quada, escorted by Rick Tymkew; and Freshman Karen Wilbur, escorted by Greg Weatherly.

Many Participate In Homecoming Events

The crowning of the 1974 Homecoming Queen and her Court marked the beginning of the week long activities. Various events took place during the course of the week—a Goat Milking Contest, where everyone came out winners; the traditional Mudfight and Tug-of-War, where the Seniors reigned (but didn't get wet); and the Corn Eating Contest, where the Juniors proved to be the corniest.

Seniors, Sophomores Tie for First

The weeks' activities continued with a money raising race for the United Fund and the Volkswagon Push, where the Seniors again took first place. The float building and judging brought the week long competition to a close, with the Semi-Formal ending 1974's Homecoming.

Theatre Groups Have Active Year

During the year a variety of assemblies were presented to the student body. Pep assemblies and Campus Life concerts were enjoyed, along with the annual visit of the hypnotist.

A new concept in theatre was presented this year in the production of "Timepiece: A Theatre College." Mr. Max R. Bush developed the group which presented an evening of improvisational theatre. The group toured to Hope and Olivet Colleges to participate in theatre festivals, taking a first place at Olivet.

Theatre Tours Successful

"The Magic Veil", a children's play written and produced by Mr. Max Bush, was presented by the theatre arts department of MHS. Fourteen performances were given at various elementary schools in the area.

The annual Awards Day assembly honoring students for academic excellence was well received by the student body. Awards were given in all departments, including some special awards to teachers.

Many Work For Successful Formal

1975's G.A.A. Formal "Saturday in the Park" was a huge success. Mrs. Hopkins reports that many people worked to make this year's formal the largest ever, with a considerable profit shown. Couples danced to the tunes of Megaton for an enjoyable evening.

Juniors Present J-Hop '75

The Junior Class of 1976 presented "Moonlight Oasis" on Saturday, May 17, 1975. For the first time, a dinner dance was held, catered by Fireside Inn. After dancing to the tunes of "Crosswinds", couples were treated to an evening of fun and games, including 2 movies, swimming, bowling and bingo. The evening ended with a breakfast served by Junior mothers.

(Above right) Genie watched over the night's events as couples wined and dined during the night. (Below) Tammy Hopkins checks out Dave Querbach's "threads", and it looks like she approves. Informal Dances Draw Many

Informal dances, as always, proved to be popular this year. Many groups sponsored these dances, including Student Government, Cheerleaders, French and Latin Clubs and Art Club. Many fine bands provided the entertainment throughout the school year.

(Top) Many styles of dancing are prevalent at MHS. (Above left) Scott Grenquist does a little observing while he dances. (Right) Having a great time, Maureen Wayward "jives" to popular tunes.

Dial '75

Now that our book has been completed my only hope is that it will be a Dial that Marshall High School can be proud of.

I can now sit back and reflect upon the hours spent working and the individuals who made it possible. I thank Mr. Bob Talsma, the Herff Jones yearbook representative whose advice was indispensable. Beller Studios and the Marshall Evening Chronicle played a big role in the production of this year's yearbook and a thanks goes out to them also. I would like to extend a very special thanks to Mr. Brian Olmstead. He is a teacher and a friend who has put in many, many long hours with the staff. Without his dedication this year's Dial would not have been possible.

Cindy has put in a lot of hours helping anyone who needed it. Ann and her photography talent has put together an opening which we are all proud of. Sal has coordinated all our photos and there were sure a lot of prints. Jackie, Deb Stiner and Nancy Stout all worked hard selling ads to organize an advertising section. John worked out an organizations section with coverage of all clubs. Deb Venn kept up on senior activities for her section, while Ingrid romped with the underclassmen for hers. Sherie kept up with all student activities and Nancy Dunn had to keep up with a changing academic curriculum. Claudia covered sports from fall to spring.

Thank-you to the entire Dial Staff who have all worked hard to put out a unique and relevant book.

Judy Day—Editor

(Top) Ingie Johnson lets out a cry of relief after finally completing her underclass section. (Above middle) Deb Venn exclaims to her fellow Dial staff members, "You're all sooo humorous." (Above left) Sherie Veramay takes a break from her heavy schedule of guest appearances, t.v., radio shows, etc. (Below left) "The Big Judes" drinks her morning coffee before starting the day. (Opposite page) (Above left) "Elmo" Olmstead is continually amazed at the antics of his Dial Staff (Above right) Annie Vogelreuter grins as she realizes that she is stuck typing the Dial.
